About these operating instructions

 Thank you for choosing our product. We hope you enjoy using it.

Read the safety instructions carefully before using the device for the first time. Note the warnings on the device and in the operating instructions. Always keep the operating instructions close to hand. If you sell the device or give it away, please ensure that you also pass on these operating instructions. They are an essential component of the product.

Explanation of symbols

If a block of text is marked with one of the warning symbols listed below, the hazard described in that text must be avoided to prevent the potential consequences described there from occurring.

This signal word indicates a hazard with a high level of risk which, if not avoided, will result in death or serious injury.

This signal word indicates a hazard with a medium level of risk which, if not avoided, could result in death or serious injury.

This signal word indicates a hazard with a low level of risk which, if not avoided, could result in minor or moderate injury.

This signal word warns of possible damage to property.

This symbol gives you useful additional information on assembly or operation.

Safety information

Risk of injury to persons with limited physical, sensory or mental abilities (for example, partially disabled people or older people with limited physical or mental abilities) or to those without experience and knowledge (such as older children).

- This device may be used by children over the age of 8 and by persons with reduced physical, sensory or mental abilities or by those without experience and/or knowledge, if they are supervised or have been instructed in the safe use of the device and have understood the dangers that result from it.
- Children must not be allowed to play with the device.

- Cleaning and user maintenance must not be carried out by children.
- Children younger than 8 should be kept away from the device and the mains cord.
- Do not store any of the packaging material used (bags, polystyrene, etc.) within the reach of children.
- Do not allow children to play with the packaging material.

There is no right of recourse folost data or for consequential damage caused by data loss. This product has been designed for use with a PC.

- Follow the safety instructions of the computer which you connect the device to.

Installation location

- Set up and operate the device on a stable, level and vibration-free surface.
- Keep the device away from moisture, water droplets and spray, and avoid dust, heat and direct sunlight.

Package contents

Check whether all the items in the delivery are present. Contact us within 14 days after purchase if any items are missing. Always specify the serial number when making enquiries.

The following components are supplied with your mouse:

- Mouse
- Documentation

Packaging film can be swallowed or used improperly, creating a risk of choking and suffocation.

- Keep packaging material such as plastic film or plastic bags away from children.

Getting started

- Switch on the computer and all connected peripheral devices (monitor, printer, etc.) and wait until the operating system is fully started.
- Plug the USB connector of the mouse into a free USB port on your computer.
- Drivers are installed automatically.

Software

- Download the software from http://cdn.medion.com/downloads/software/sw_md88187_w10.exe
- Install and run the software.

DPI settings

- Press the corresponding DPI selection button  to change the DPI resolution.

Cleaning

- Make sure that the device is kept clean. Before cleaning the device, disconnect all cable connections to the PC. Clean the device and all other components with a damp cloth. Do not use solvents, corrosive or gaseous cleaning agents.

Disposal

 **PACKAGING**
Your device has been packaged to protect it from damage in transit. The packaging is made of materials that can be recycled in an environmentally friendly manner.

DEVICE

All old devices marked with the symbol illustrated must not be disposed of in normal household waste.

In accordance with Directive 2012/19/EU, the device must be properly disposed of at the end of its service life.

This involves separating the materials in the device for the purpose of recycling and minimising the environmental impact.

Take old devices to a collection point for electrical scrap or a recycling centre. Before doing so, remove the batteries from the device and take them to a separate collection point for used batteries. Contact your local waste disposal company or your local authority for more information on this subject.

Declaration of Conformity

MEDION AG hereby declares that the MD 88187 gaming mouse complies with Directive 2014/53/EU.

- EMC Directive 2014/30/EU
- RoHS Directive 2011/65/EU.

Privacy statement

Dear customer,
We wish to inform you that we, MEDION AG, Am Zehnthof 77, 45307 Essen, Germany process your personal data as a data controller. For matters regarding data protection, we are supported by our company data protection officer who can be contacted at MEDION AG, Datenschutz, Am Zehnthof 77, D – 45307 Essen; datsenschutz@medion.com. We process your data for the purpose of warranty processing and associated processes (e.g. repairs) and therefore rely on processing your data for the sales contract concluded with us.

Your data will be provided to repairers contracted to us for the purpose of warranty processing and associated processes. We generally store your personal data for a period of three years in order to fulfil your legal warranty rights.

You have the right to be informed of the personal data concerned as well as the right to rectification, deletion, restriction of processing, the right to object to processing, as well as the right to data portability.

In case of access and cancellation rights, restrictions apply according to S 34 and S 35 of BDSG (Federal Data Protection Act) (Art. 23 GDPR). In addition, there is a right of appeal to a competent data protection supervisory

authority (Article 77 GDPR in conjunction with S 19 BDSG). The state official for data protection and freedom of information for MEDION AG is Nordrhein Westfalen, P box 200444, 40212 Düsseldorf, Germany. www.lidi.nrw.de. The processing of your data is necessary for warranty processing: it is not possible to process the warranty without the provision of the required data.
